

Fact! The King James Bible is the easiest to memorize!

100% or not from GOD
Duet. 18:20-22 & 13:1-3

Satan began by attacking the Word of God! Gen. 3:1 Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, **Yea, hath God said**, Ye shall not eat of every tree of the garden?

The KJV is God's Word

New International Version (NIV)

Over **64,000** words left out, that is like leaving out the entire books: Obadiah, Jonah, Nahum, Habakkuk, Haggai, Mathew, Colossians, I Thesalonians, II Timothy, Titus, Philemon, Hebrews, James, I Peter, II Peter, I John, II John, Jude, Revelation. Enough words missing to take all of these books completely out of the KJV.

Who killed Goliath? Not David in your bible 2 Samuel 21:19

The man appointed to be the Chairman of the Old Testament Committee of the NIV Committee on Bible Translation, Dr. Marten Woudstra, was a homosexual. Also, Virginia Mollenkott, who worked as the stylistic editor for the translation, is a lesbian.

Some of Dr. Woudsta's collaborators on the NIV knew about this years ago during the translation process. The parent company (Harper Collins) who publishes the NIV, also publishes The Joy of Gay Sex, and The Satanic Bible. NIV is based on the work of Westcott and Hort.

KJB is precise in the use of the old pronouns in the second person, and that is necessary for a literal and accurate translation.

NIV Calls Lucifer, "Jesus"

Verse Against New Version's Jer. 23:30+36

- 1) Just about everybody knows the word "Lucifer" as another name for Satan. The word "Lucifer" is found one time in the King James Bible. Isaiah 14:12
- 2) But what about the NIV? The word "Lucifer" is gone and now this creature is identified as the "morning star". Lucifer is the "morning star" in the NIV. "How you have fallen from heaven, O morning star, son of the dawn! You have been cast down to the earth, you who once laid low the nations!"
- 3) So we know that in the NIV the "morning star" is a negative, evil figure. Right? He was fallen from heaven. He was cast down to the earth. Can we find the "morning star" anywhere else in the NIV? Yes! The following passages in the NIV show the "morning star" as Jesus Christ! But the NIV just called the fallen creature of Isaiah 14:12 "morning star". Lucifer AND Jesus are ONE in the NIV! Lord have mercy, Jesus! Help me, Lord.
NIV: Revelation 22:16,
"I, Jesus, have sent my angel to give you [1] this testimony for the churches. I am the Root and the Offspring of David, and the bright Morning Star."
NIV: 2 Peter 1:19,
And we have the word of the prophets made more certain, and you will do well to pay attention to it, as to a light shining in a dark place, until the day dawns and the morning star rises in your hearts.
NIV: Revelation 2:28--
I will also give him the morning **star**.

Original Manuscripts

None of the original manuscripts exist! All we have are copies of copies! There are 5,309 surviving Greek manuscripts that contain all or part of the New Testament. These manuscripts agree together 95% of the time. The other 5% account for the differences between the King James and the modern versions.

New American Standard (NASB)

"I must under God denounce every attachment to the New American Standard Version. I'm afraid I'm in trouble with the Lord...We laid the groundwork; I wrote the format; I helped interview some of the translators; I sat with the translator; I wrote the preface. When you see the preface to the New American Standard, those are my words...it's wrong, it's terribly wrong; it's frightfully wrong...I'm in trouble;...I can no longer ignore these criticisms I am hearing and I can't refute them. The deletions are absolutely frightening...there are so many. The finest leaders that we have today haven't gone into it [new versions of Wescott and Hort's corrupted Greek text] just as I hadn't gone into it...that's how easily one can be deceived...Are we so naive that we do not suspect Satanic deception in all of this?"

Wescott & Hort Fathers of Modern Bible's

Westcott himself was one of the founders of the Cambridge Ghost Society. Westcott and Hort were psychic Ghost Hunters. 1848 Aug. 11th - Westcott: "I never read an account of a miracle (in Scripture?) but I seem instinctively to feel its improbability" 1860 Apr. 3rd - Hort: "But the book which has most engaged me is Darwin. Whatever may be thought of it, it is a book that one is proud to be contemporary with. I must work out and examine the argument in more detail, but at present my feeling is strong that the theory is unanswerable." Fought to keep [G. Vance Smith] (denied the Deity of Christ, as well as the inspiration of scripture) on committee.
