

Thank you for your interest in HallofFameMoms.com! My blog is basically an extension of me and my family. I've been blogging since 2008 and I blog about a bunch of things that moms (dads & families) are interested in. Since we homeschool, I talk a lot about that too!

My blog is also my at-home job- this is the part where I do **product and travel reviews** and **giveaways**, accept **advertising** and **sponsored posts**. I've worked with lots of brands and businesses in a variety of ways.

I think it would be helpful to share that I love people and especially Ohioans! A lot of my blogging is about #OhioFamilyFun, but I'm also open to discovering family fun in other states. When my family has a full weekend to explore I tend to turn that into a multi-post series as you can see for yourself in my [Bob Evans/Gallipolis Series](#), [2012 Lake Erie Islands Series](#), and our [2013 Sandusky Family-fun Series](#). *But, let's get on with the numbers...*
