

Made by Tracy Zdelar

This workbook was made by Tracy Zdelar, a homeschooling mom of 12 years and counting.

Use these 20 pages of coloring, cut and paste activities however it best fits your child's needs.

\*\*\*\*\*

The purchaser of this activity book may copy the pages ONLY for use in your own home.

Do not share the link to this workbook with friends and family that live outside your home to use for free, this is theft. Please respect my time and work by encouraging others to buy their own book. Thank you!

### **To use this workbook in classroom settings:**

Contact Tracy regarding a purchase agreement for reproducible use in work, teaching, co-op classroom settings or have the parents purchase an individual workbook for themselves through the proper link at Tracy's website (Hall of Fame Moms) <https://www.halloffamemoms.com> .

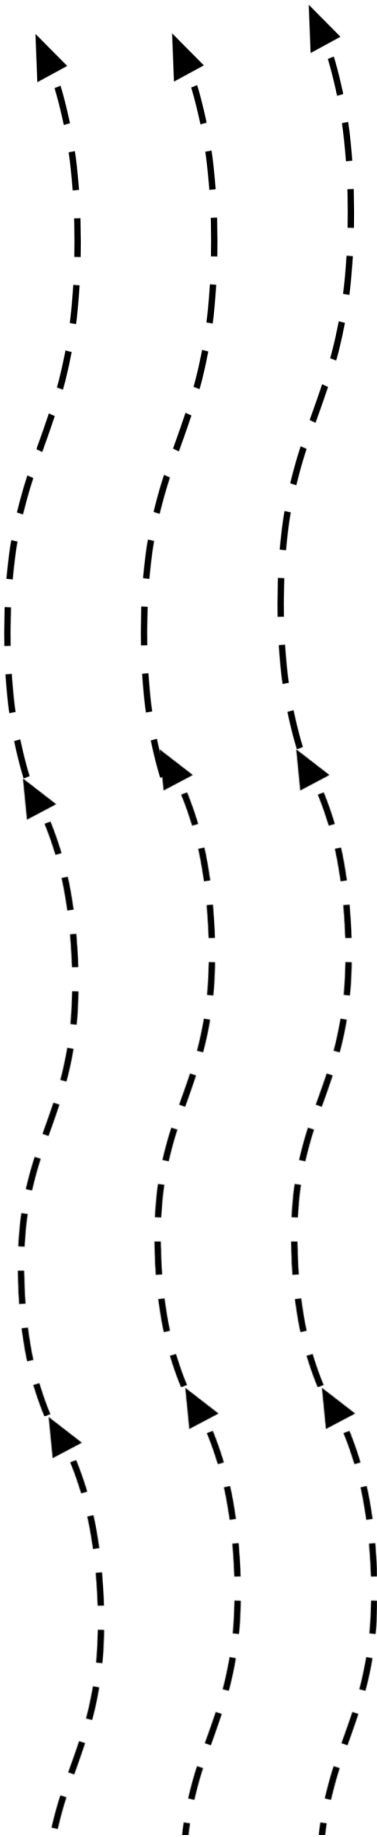

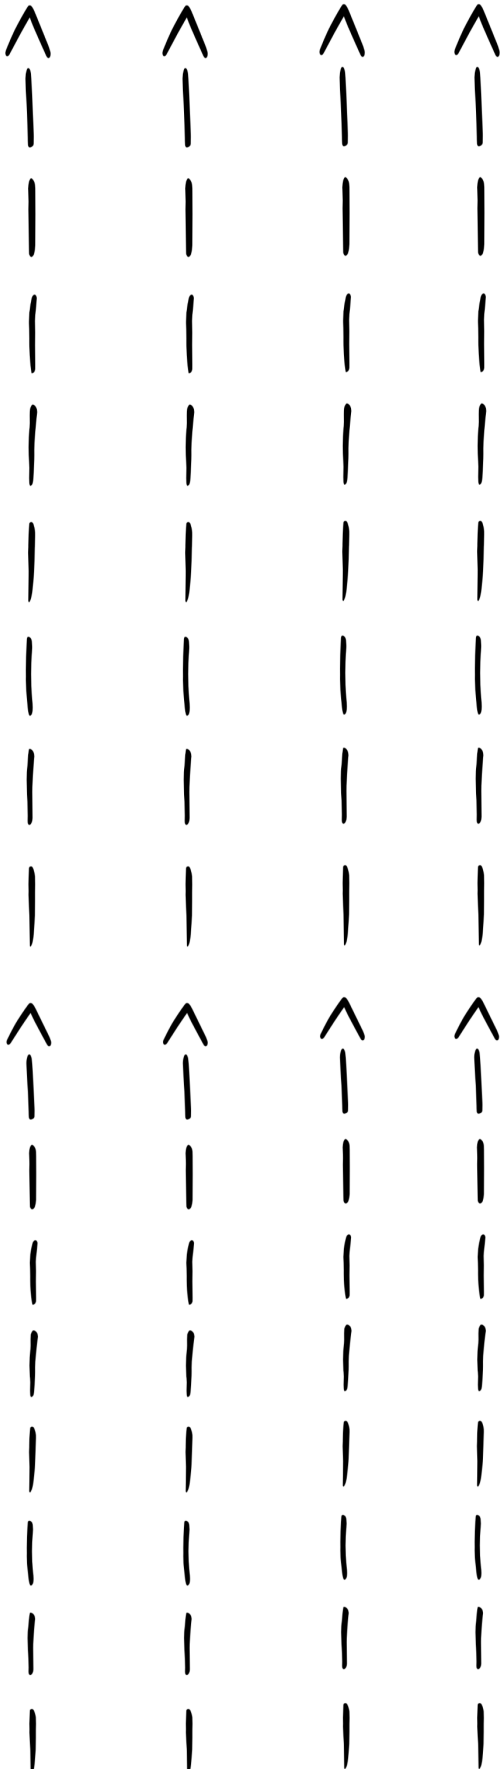

You may also contact Tracy at [halloffamemoms@gmail.com](mailto:halloffamemoms@gmail.com) .

Thank you for your purchase! I hope your child enjoys working on these coloring, cut and paste activities.

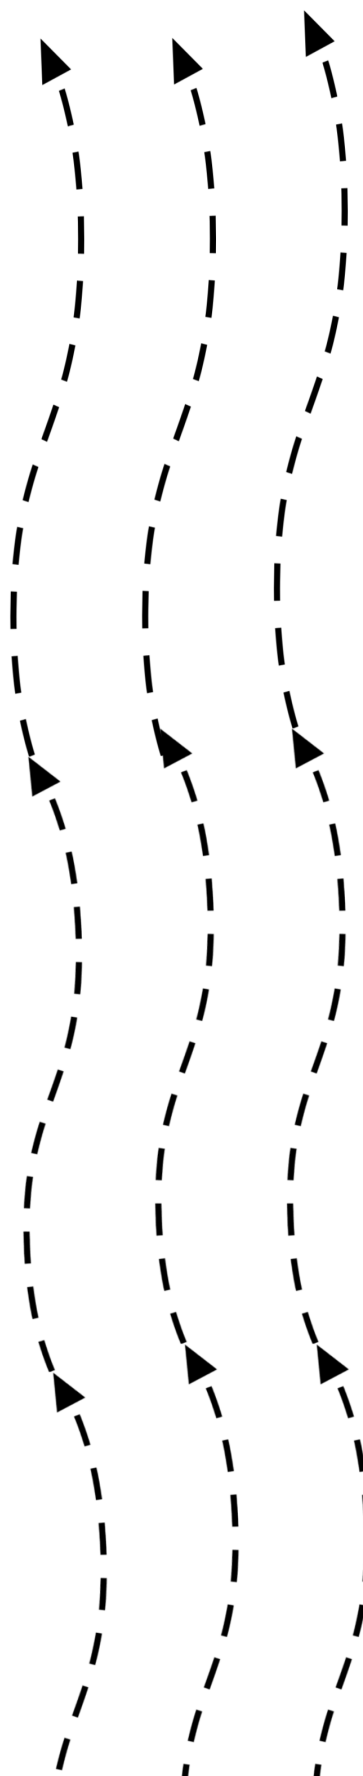

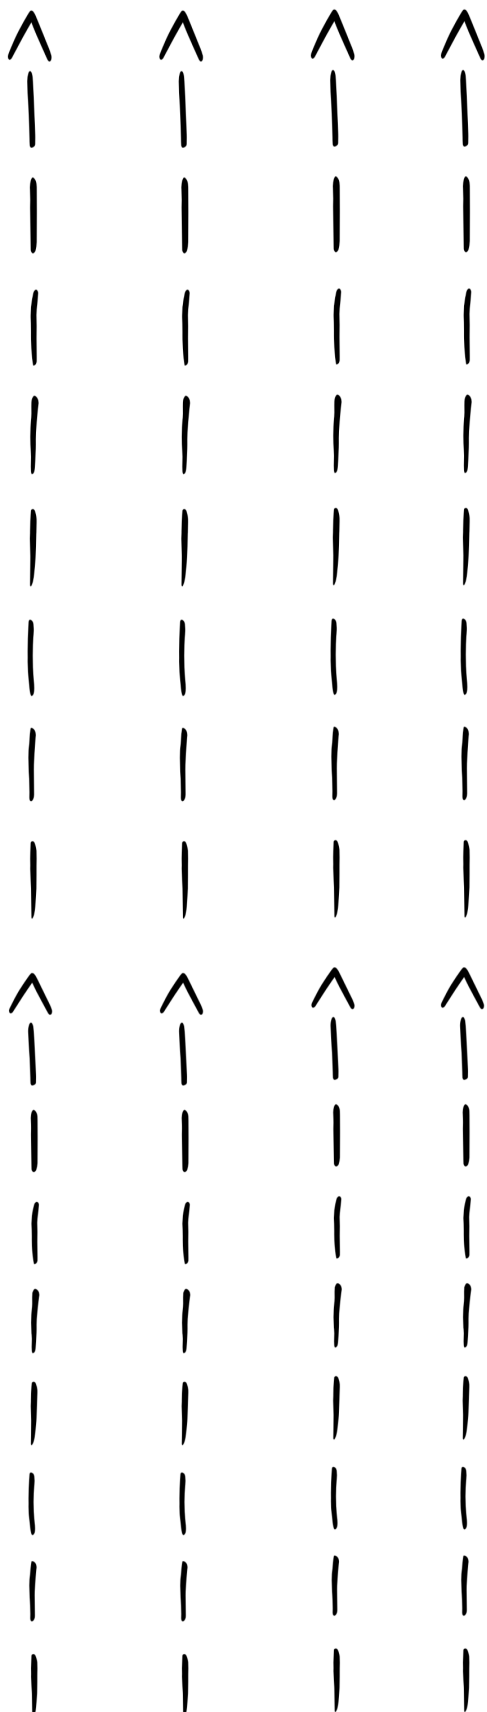

I look forward to creating more books in the future.

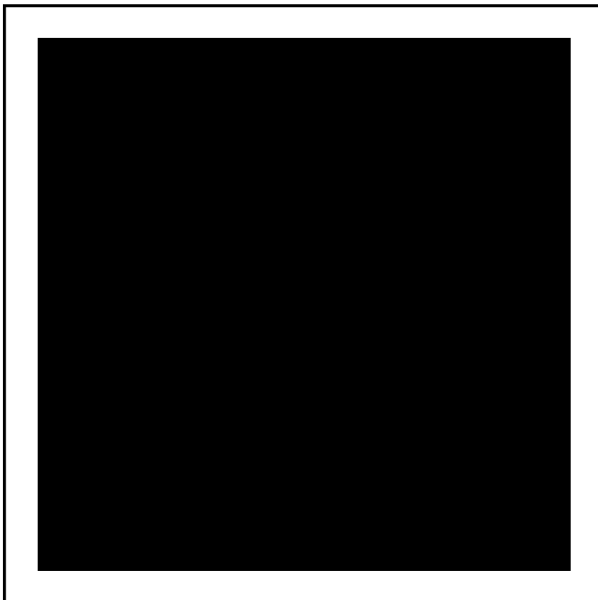

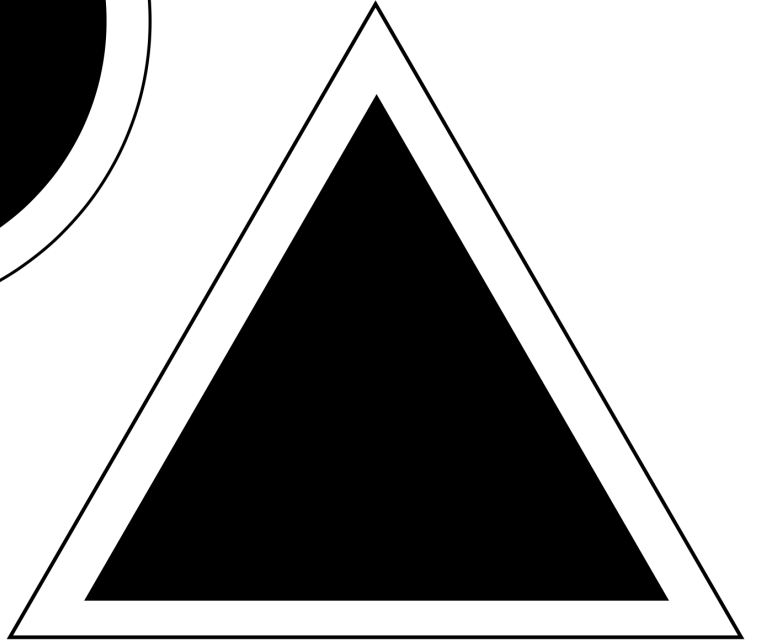

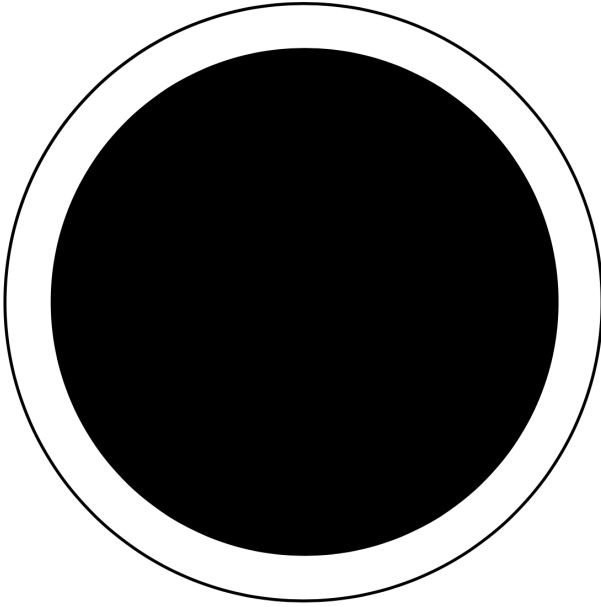

**Practice cutting along the lines.**

**Practice cutting along the lines.**

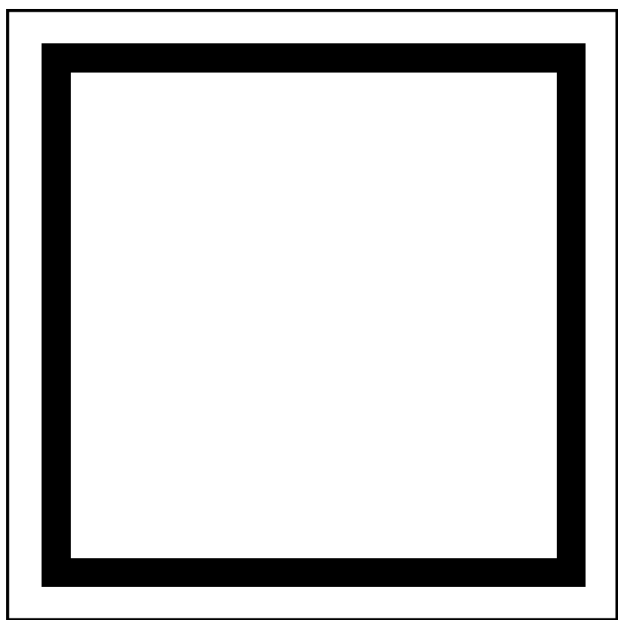

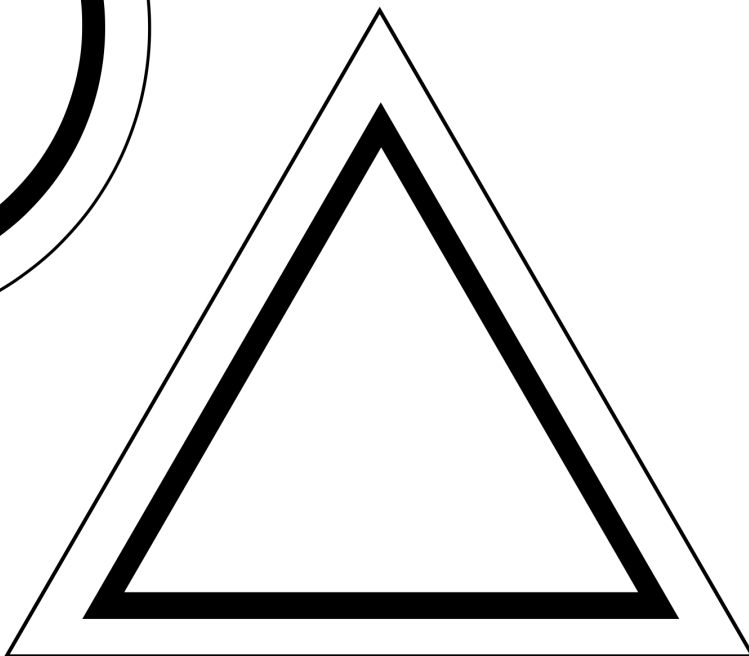

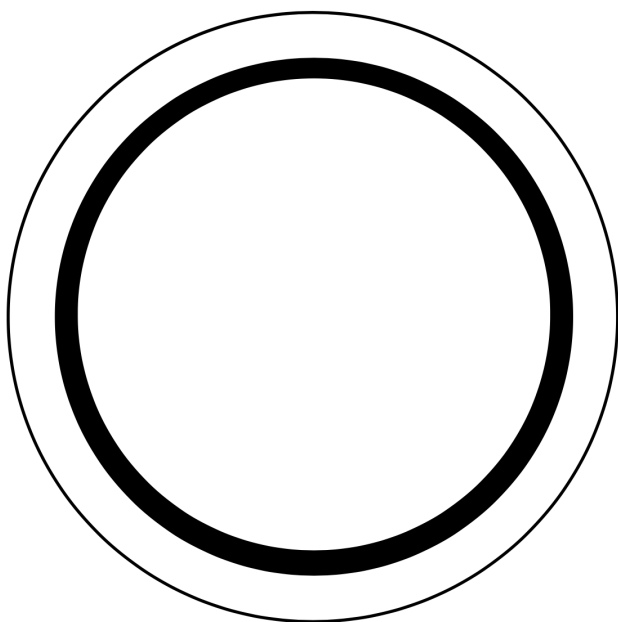

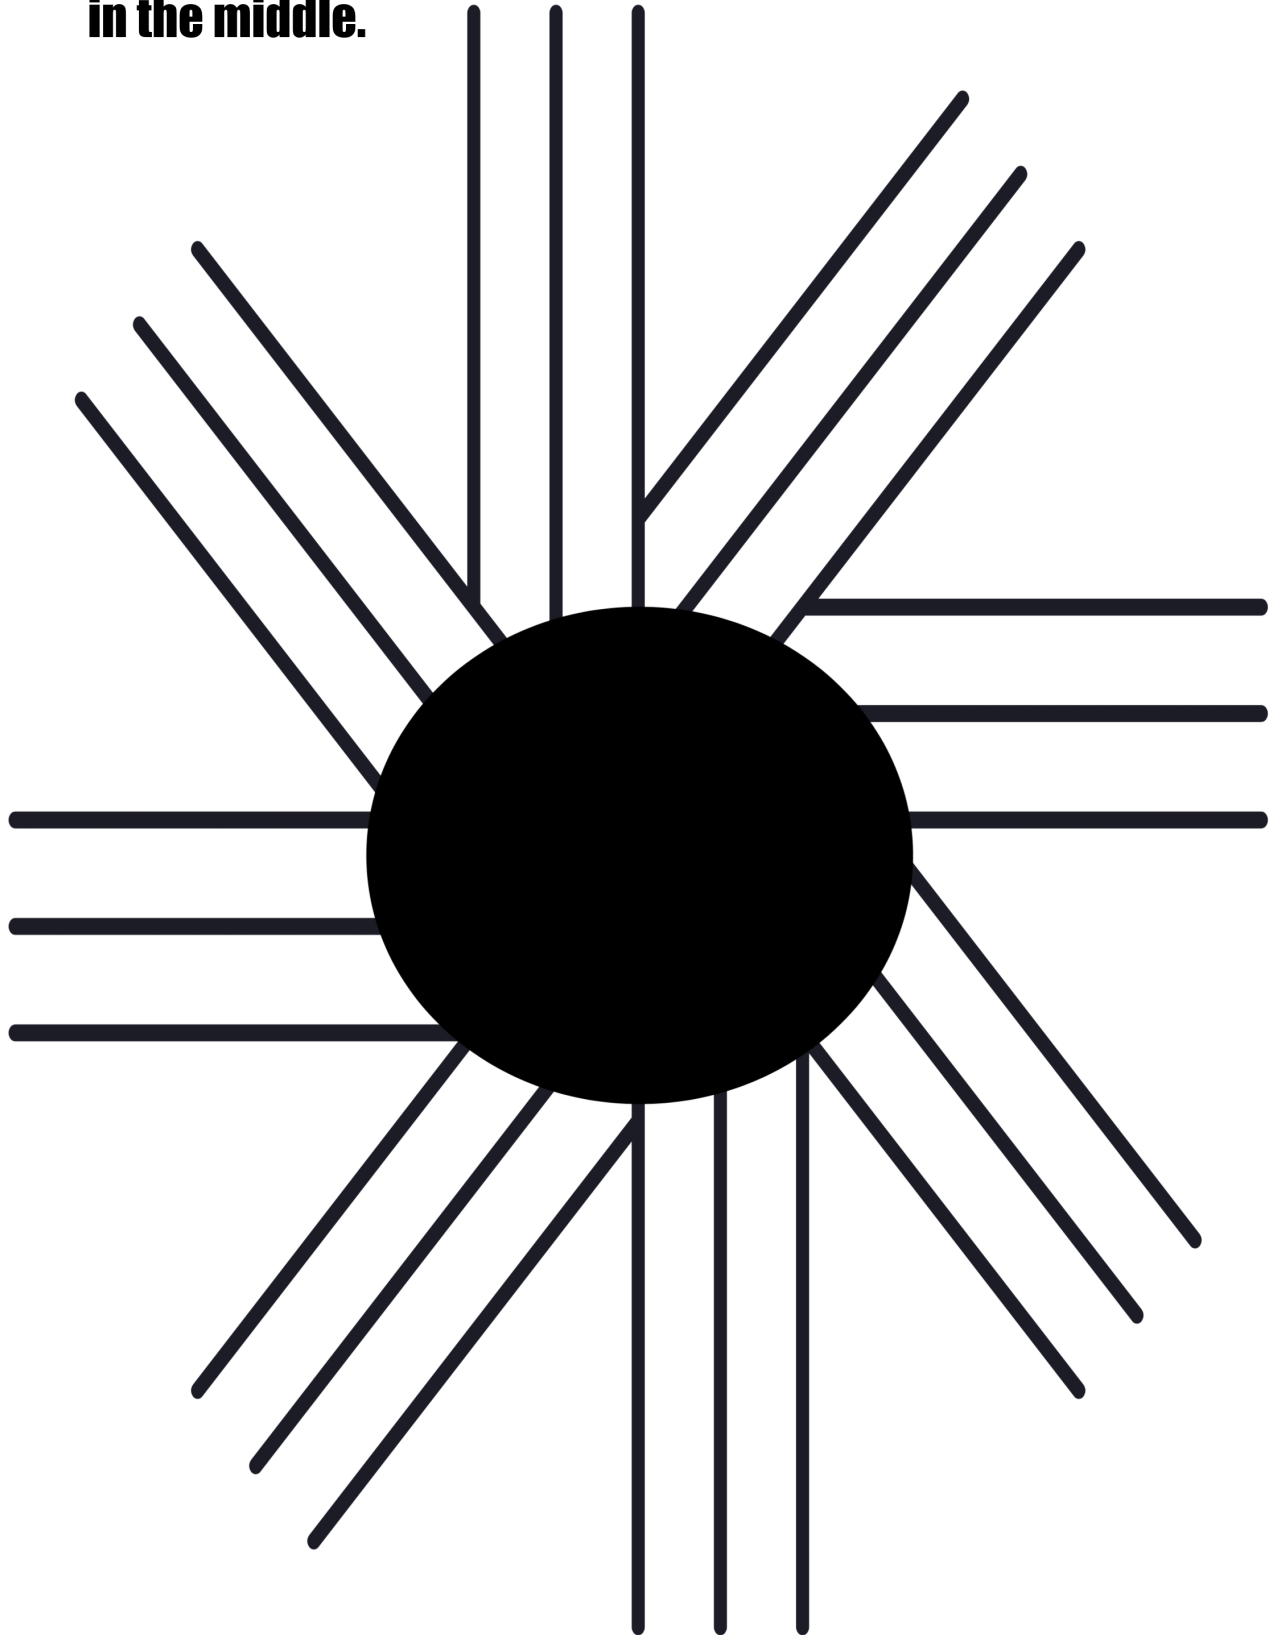

**Cut out the shapes for practice.**

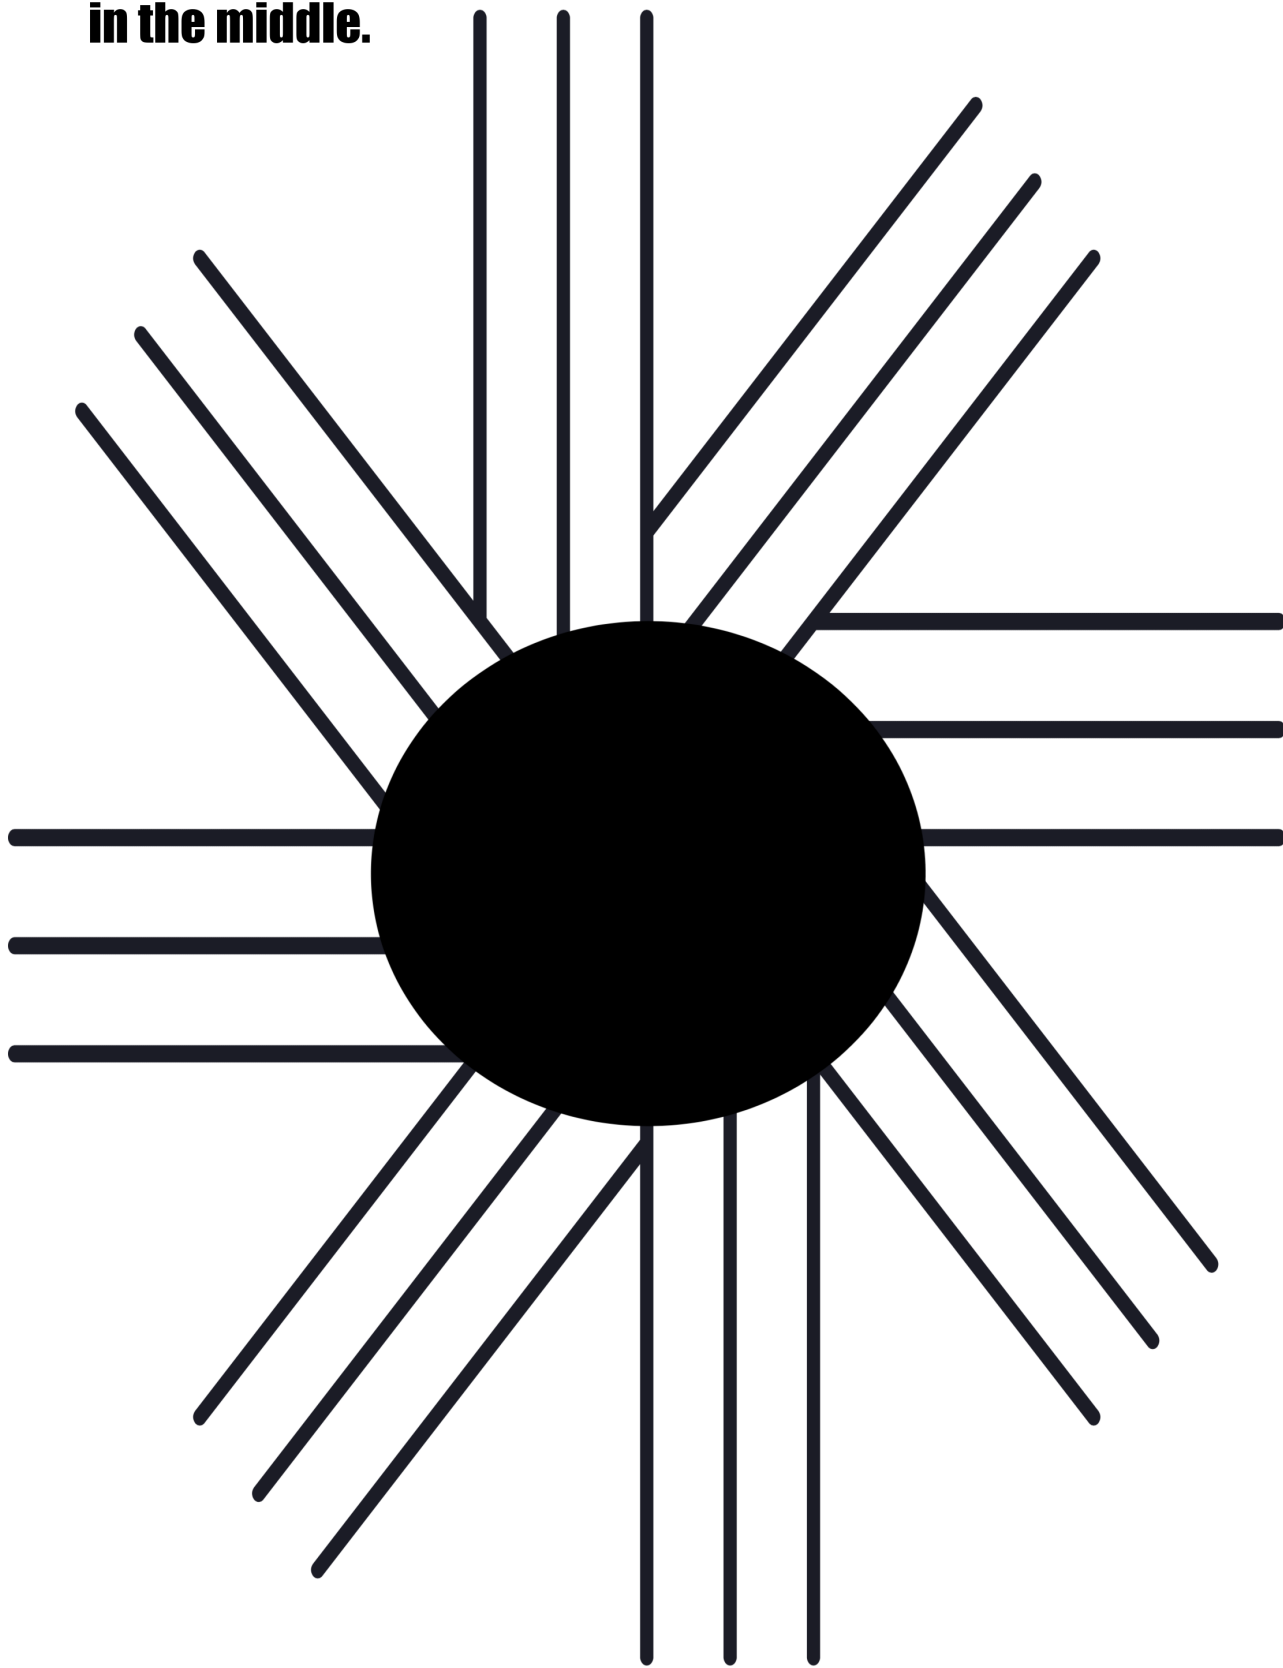

**Color the shapes first.  
Cut out the shapes for  
practice.**

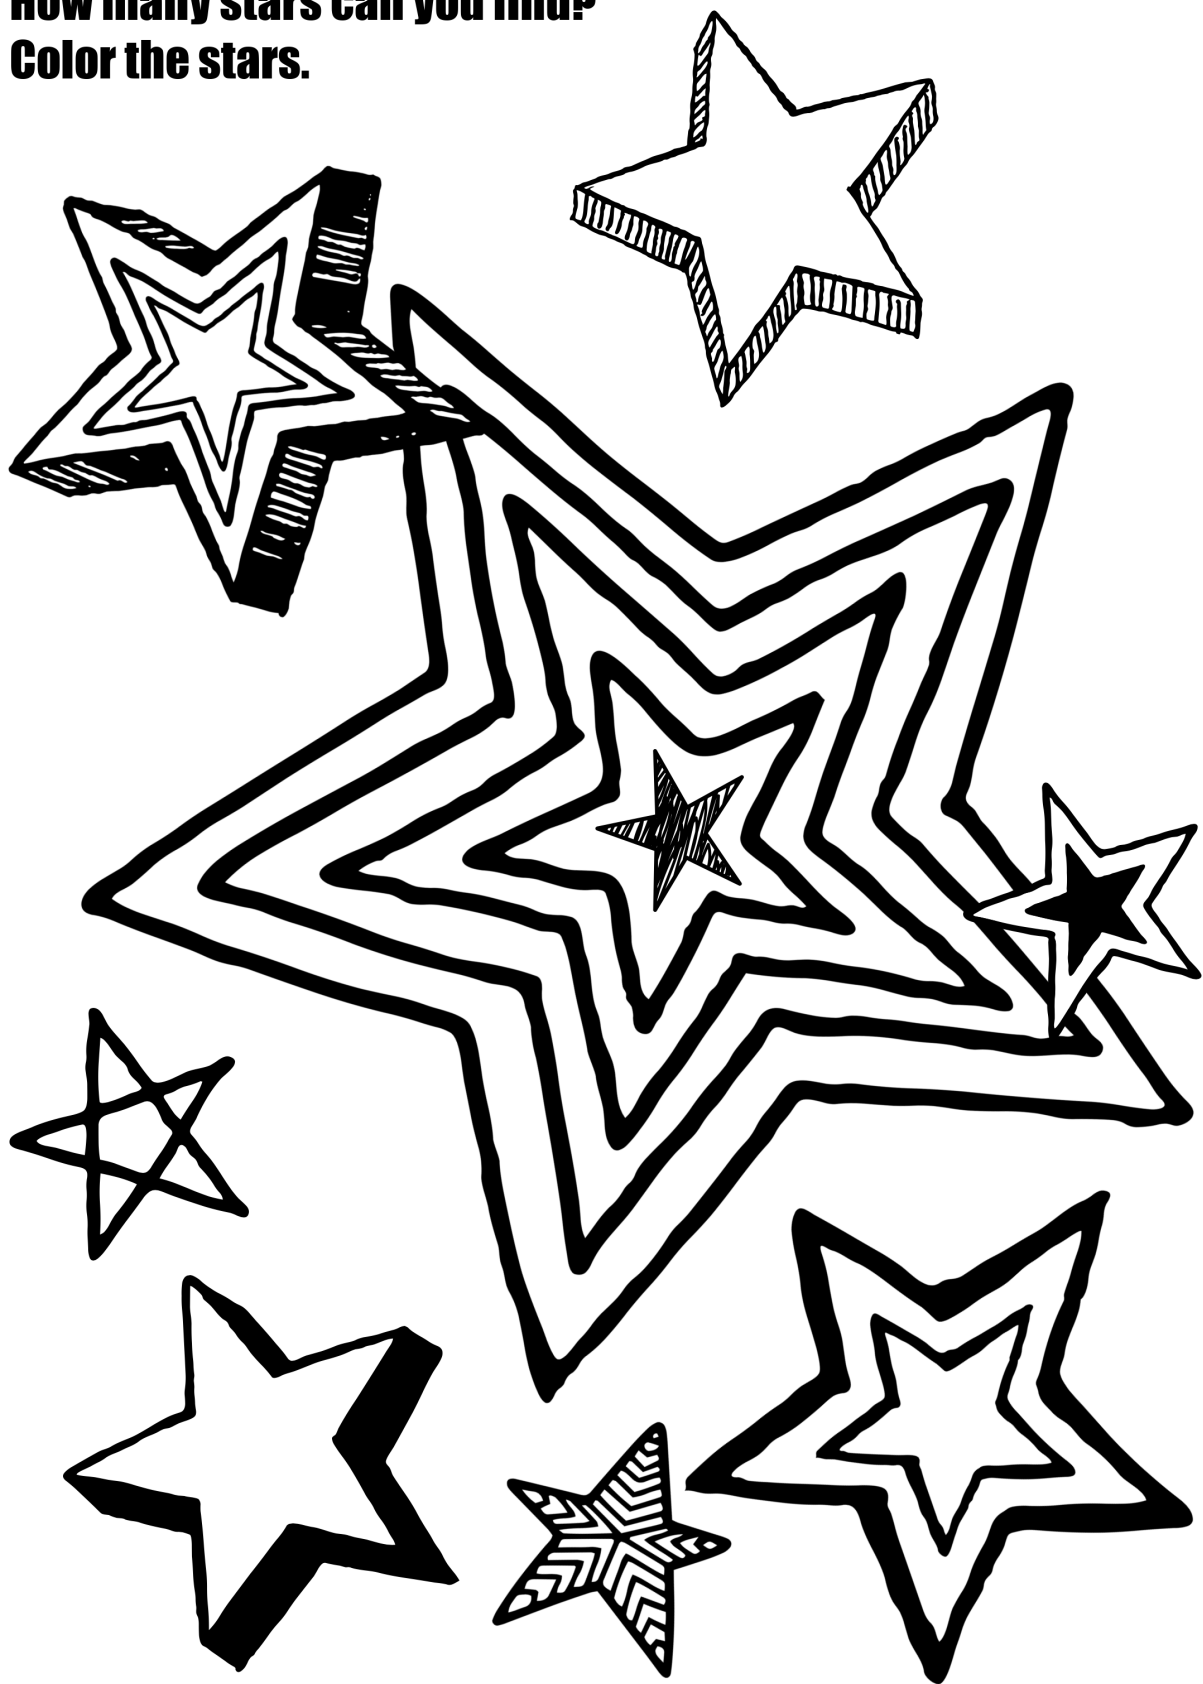

**Remove this page from the book first. Then, practice cutting along the straight lines stopping at the circle in the middle.**

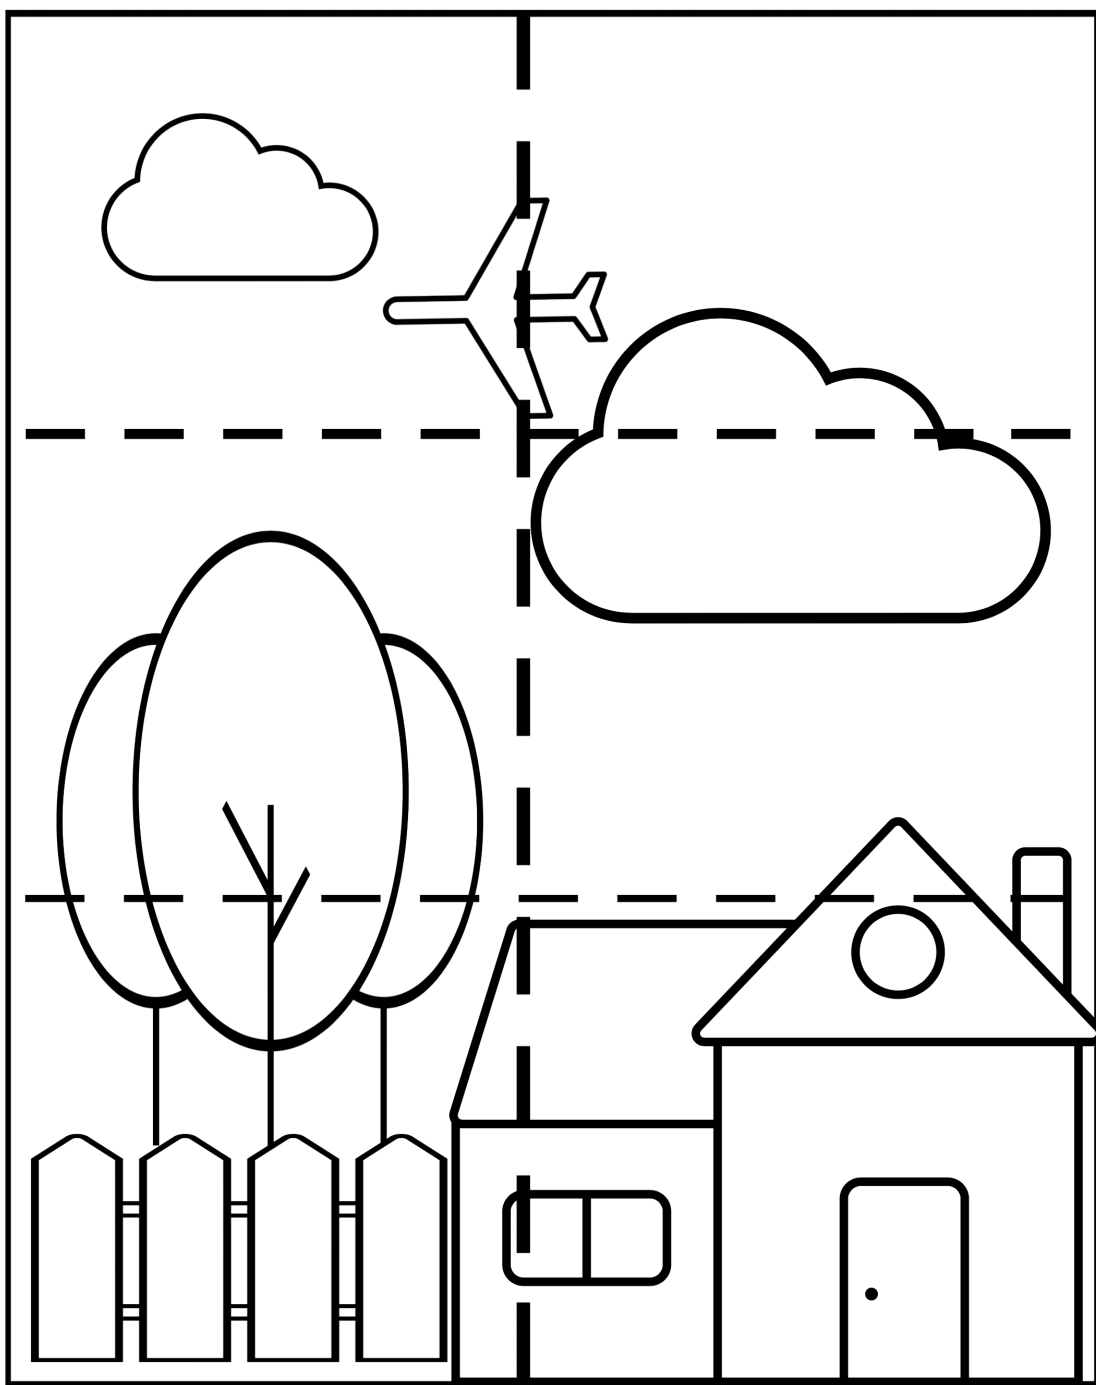

**Remove this page from the book first. Then, practice cutting along the straight lines stopping at the circle in the middle.**

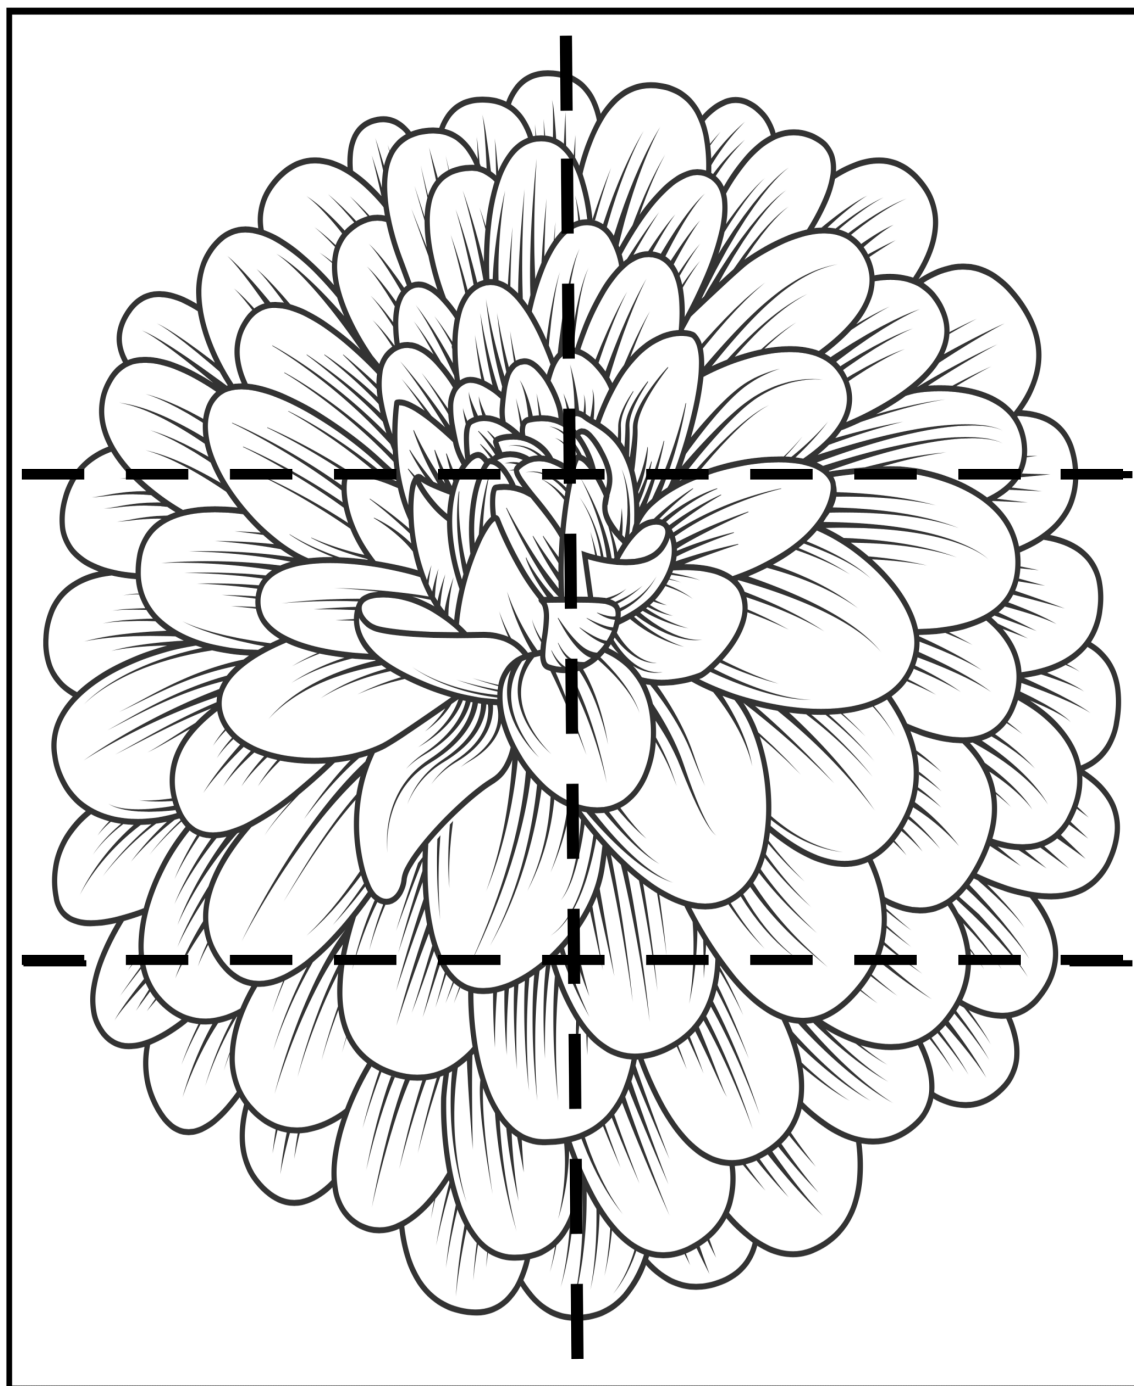

**How many stars can you find?**  
**Color the stars.**

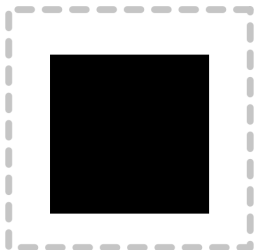

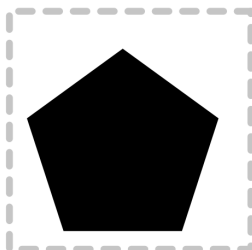

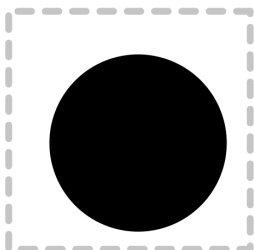

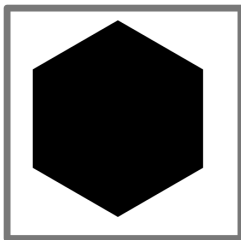

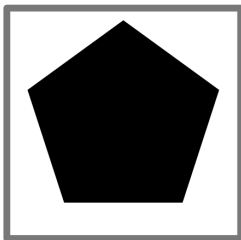

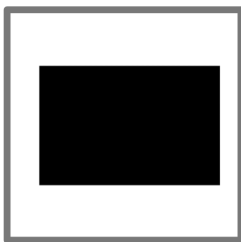

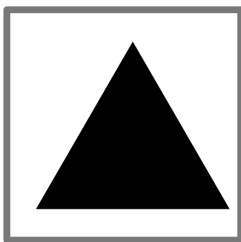

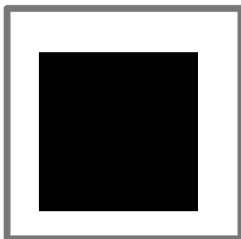

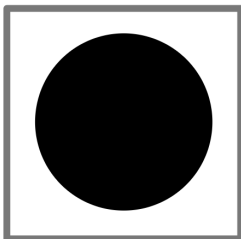

**Color the picture then cut along the lines to make your puzzle.**

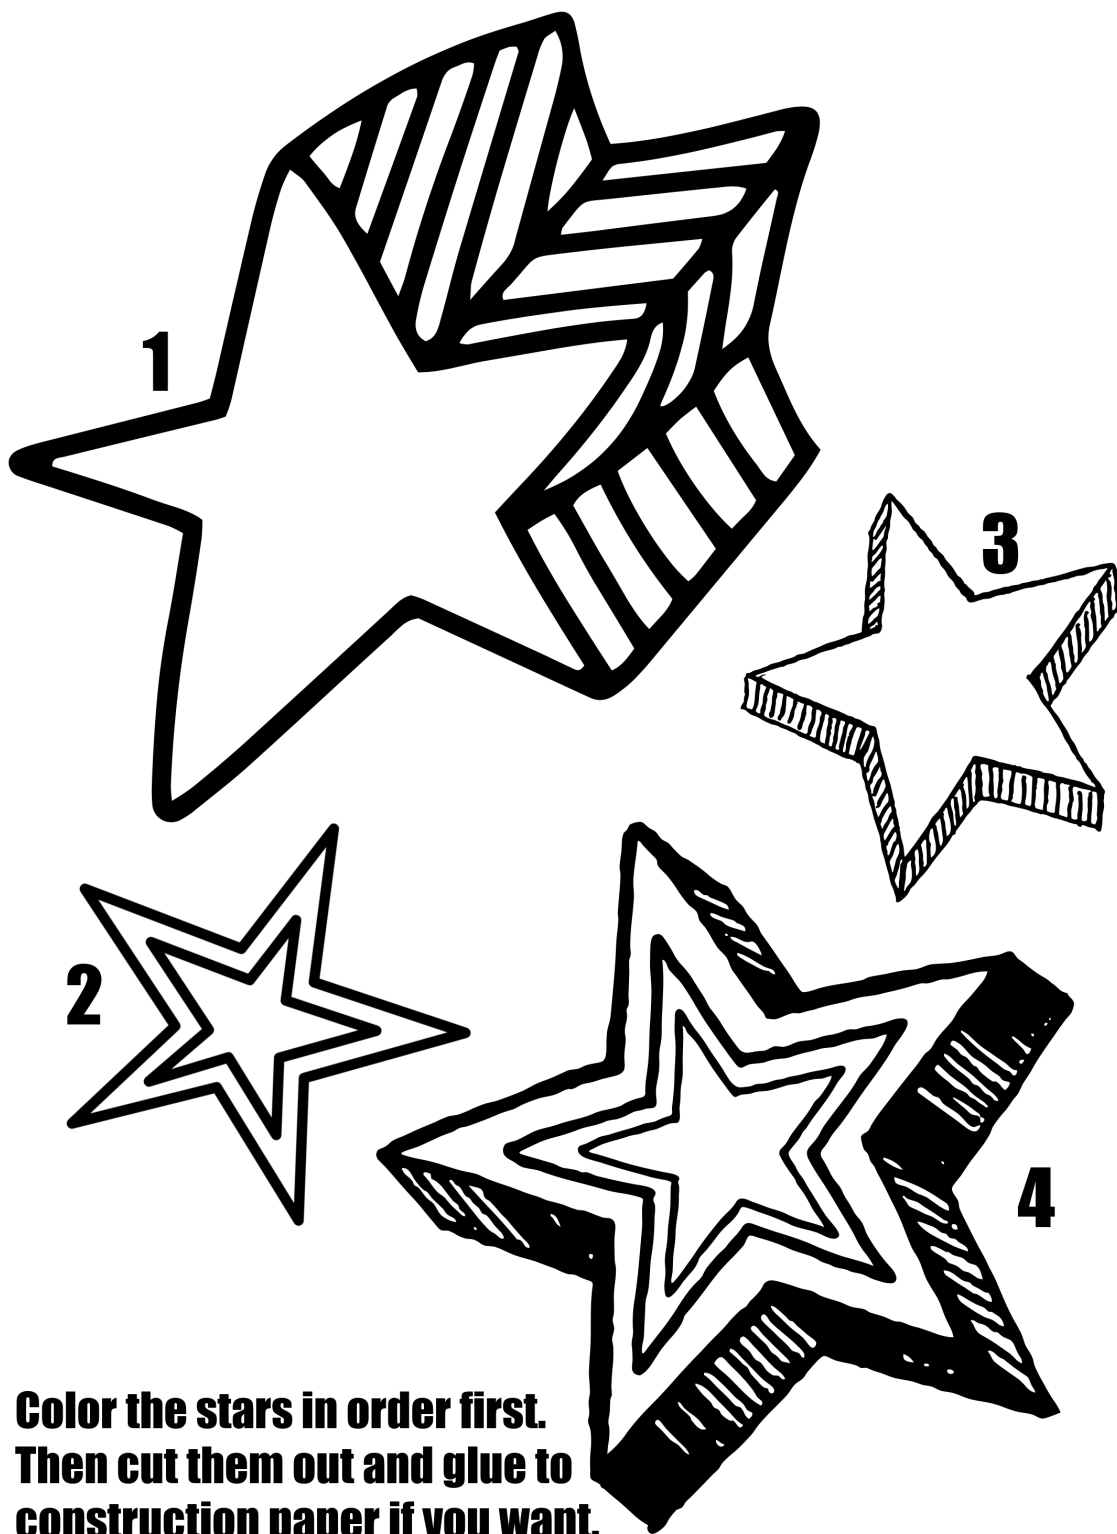

**Color the picture then cut along the lines to make your puzzle.**

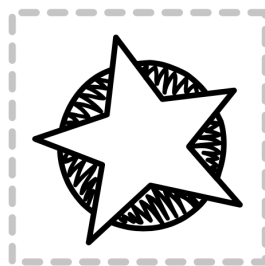

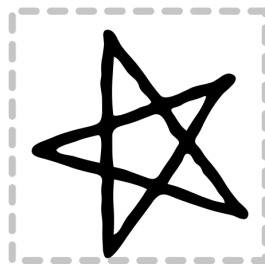

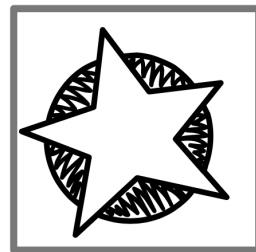

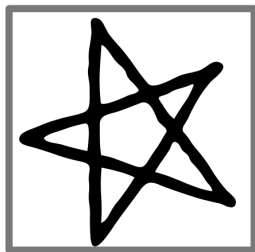

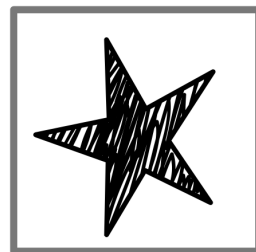

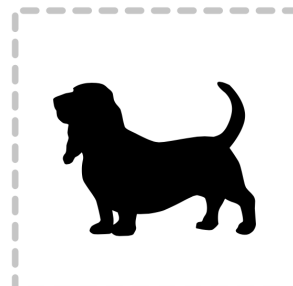

**Color the stars in order first.  
Then cut them out and glue to  
construction paper if you want.**
